Re: Closure of Administrative Order  
Docket No. SDWA-08-2004-0037  
PWS ID #CO0121275

Dear Mayor Barela:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order ("Order"), Docket Number SDWA-08-2004-0037, issued to the City of Fountain Water System on July 27, 2004. The EPA has found that you have complied with the terms of the Order so we will close the Order at this time. This decision is based on the understanding that the City of Fountain will include the failure to monitor for the second round of unregulated contaminants violation in its 2004 consumer confidence report.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 CFR Part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

Thank you for your attention to this matter and for your continued compliance with the regulations. If you have any questions related to this matter, please contact me at (303) 312-6896.

Sincerely,

Lisa Kahn, Team Leader  
Drinking Water Enforcement Program  
Office of Enforcement, Compliance  
and Environmental Justice
